1) CALL TO ORDER

- A. Roll call of Board members and establishment of quorum to conduct public meetings.
- B. Acknowledgement of presence of legal counsel and board staff.

2) STATEMENT OF PURPOSE

- A. A license to practice in the funeral industry in Arizona is a privilege granted by the State through laws and rules.

In 1909, on behalf of the people of Arizona, the legislature created the Arizona State Board of Embalmers. In 1945, under Governor Sidney P. Osborn, the Board's jurisdiction was expanded when the Legislature created the Arizona State Board of Funeral Directors and Embalmers. The Board now regulates the practices of the death care profession by issuing licenses to those who meet the minimum requirements and by holding those licensed professionals to the standards set forth in the Board's laws and rules. By doing these things, the Board assures the public that the practices associated with the funeral industry will be conducted with appropriate skill and respect by persons who meet the educational requirements and/or industry standards to practice in the profession and care for our decedents.

To further ensure the public's access to the Board's business, as of January 1, 2019, all Board meetings are digitally recorded and posted on the its website under the "Meetings and Minutes" link.
